Sweet Meadow Farm
111 Coolidge Street • Sherborn MA 01770

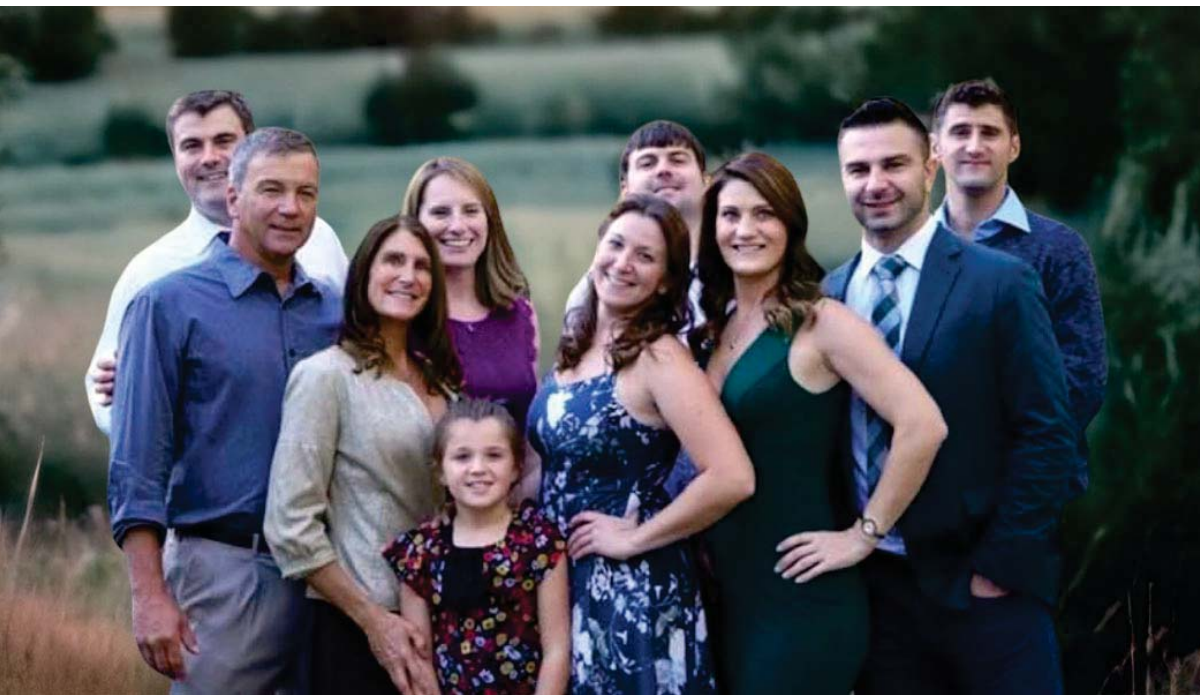

Sweet Meadow Farm was founded in 1987 by husband and wife Al & Patty Michaud. Our farm is proudly family owned and operated. The Sweet Meadow family has dedicated 3 generations to animal health, nutrition, and education.

We pride ourselves on harvesting the freshest, most nutritious, premium hay for small animals. All of our hay is naturally grown and pesticide free. Every bale, hand selected and every bag hand packed to ensure freshness, color, and smell. Not to mention our farm is an active farm with hundreds of animals belonging to our family.

In addition to pet food manufacturing, Sweet Meadow Farm is home to one of Boston's top equestrian youth riding centers. With over 25 horses on staff our families entire livelihood revolves around hay and we only feed and manufacture premium hay and feeds!

Thank you for sharing your family with ours!
